古見さんは、コミュ症です。

I think what kind  
of relationship  
you two have,  
should be decided  
between you two.

It shouldn't be  
decided by just  
one of you, or  
by someone else.

If you're  
giving up on  
your feelings  
because you're  
trying to be  
considerate  
of me...

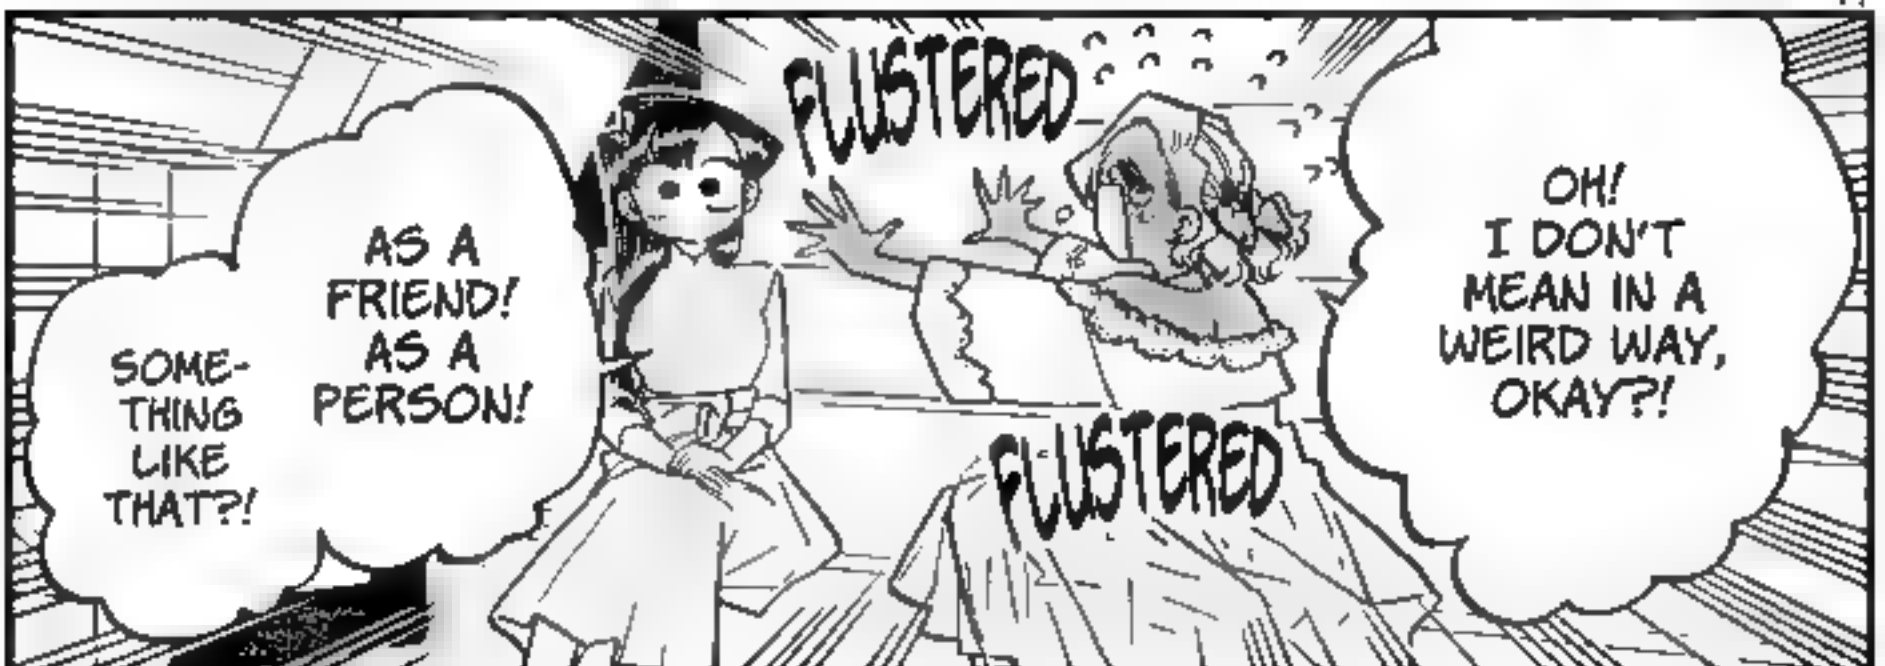

not  
allow  
that.

I will...
